Det er vigtigt at kontrollere, at alt stemmer overens med de aftalte datoer. Kontakt os straks, hvis der er behov for ændringer, eller hvis I har spørgsmål til jeres rejse.

# Rejsedokument Australien og New Zealand

## Husk at søg visum til Australien. Det kan gøres her:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/visitor-651>

Visumet til Australien (ETA) er et elektronisk visum. Det betyder, at visumet er registreret for selve pasnummeret i passet. Det er derfor tilstrækkeligt at fremvise passet ved afgang fra Danmark samt indrejse i Australien. Dette dokument er vigtigt at have med på rejsen som en ekstra sikkerhed.

## Visum New Zealand:

**Fra 1. oktober 2019 skal alle danske statsborgere, som skal rejse til eller via New Zealand, registrere sig elektronisk på forhånd. Rejsetilladelsen kaldes NZeTA, og bestilles via dette link - <https://www.immigration.govt.nz/new-zealand-visas/nzeta>**

Visummet koster NZD 12. Udover visumafgiften skal man også betale en turistafgift (IVL) på NZD 35. Hvis man udelukkende er i transit skal man ikke betale IVL. Det er for øvrigt altid en god ide at tage en kopi af passet og opbevare det på et sikkert sted under rejsen, i tilfældet af at man skulle være uheldig at miste passet undervejs.

## Indtjekning:

Tidspunkterne vist på rejseplanen er flyets afgangstidspunkt. Indtjekning er senest 1 1/2 time før afgang. For hjemrejse fra Australien/New Zealand skal man møde op i lufthavnen 2 timer før afgang, uanset flyselskab. Flybilletten er elektronisk, og indtjekningen sker ved henvendelse til check-in-skranken med rejseplanen og gyldigt pas. Kontakt os, hvis I har specielle ønsker vedr. sæde, mad eller andet, som flyselskabet skal tage hensyn til. Vi forespørger ønskerne, men vær opmærksom på at alle ønsker ikke kan garanteres.

## Bagage:

På din rejseplan finder du oplysninger om tilladt bagage. Bemærk, at dette kan variere mellem forskellige flyselskaber, togselskaber og turoperatører på din rejse.

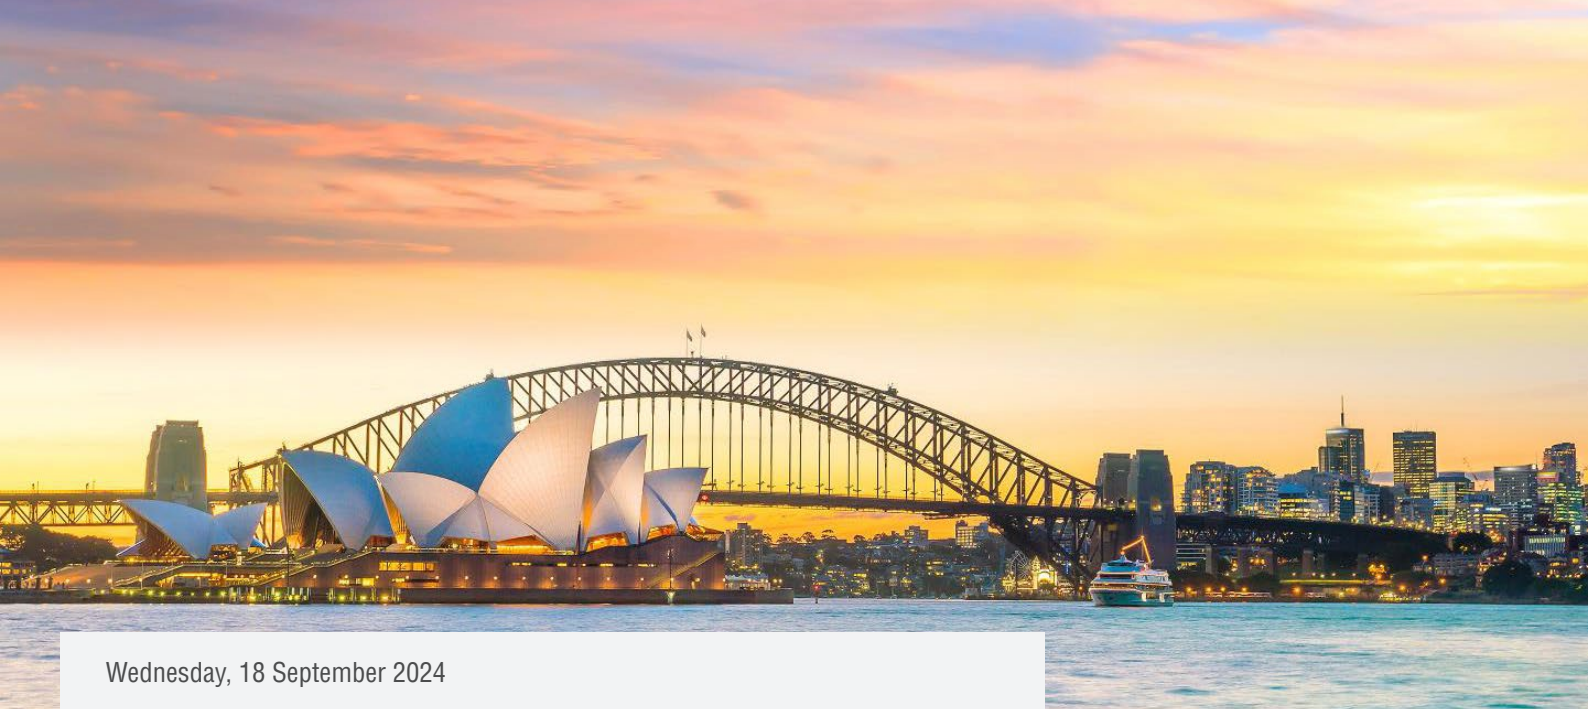

## Internationalt kørekort:

Husk altid at medbringe dit originale kørekort, og derudover er det obligatorisk også at medbringe et Internationalt kørekort. Alle der skal køre bil eller camper skal både have et originalt og Internationalt kørekort med på rejsen. Det Internationale kørekort fås hos jeres lokale borgerservice. Husk at medbringe et pasbillede.

## Hjemrejse:

Vi anbefaler at kontrollere, at der ikke er sket nogen tidsændringer osv. på flyvningerne undervejs på rejsen. Dette kan let gøres på hjemmesiden [www.checkmytrip.com](http://www.checkmytrip.com), hvor man

logger ind med PNR-nummeret, der findes på rejseplanen.

Eventuelt kan man ringe til flyselskabet lokalt. Lokale flystrækninger kan også ændre sig efter afrejse fra Danmark. Der er ofte ændringer i tider, flynummer etc. Disse kontrolleres lokalt.

### **Rejseforsikring:**

# Kakadu Wilderness Escape with Fogg Dam Tour

## Autopia

### Tour

Join in on the adventure of a lifetime to uncover the very best Kakadu has to offer. Leave tropical Darwin travelling through the rich floodplains towards Kakadu National Park - this 20,000 square kilometre area is teeming with wildlife, important Aboriginal rock art sites, and diverse landscapes. Your first stop of the day is near the Adelaide River where guests can take a stroll through Fogg Dam Conservation Reserve.

The traditional lands of the Limilngan-Wulna people (who are active in the reserve's management) are one of the most spectacular places to explore the diverse wildlife of the Top End, home to numerous species of birds, turtles, water pythons and of course the iconic Saltwater Crocodile. Stop in at the Bowali Visitor Centre to learn more about the rich Aboriginal culture and history of this special place and break for lunch (at the guests' own expense). Next, visit the famous Cahills Crossing in search of crocodiles at this eye-opening stretch of water, the only road access point between Arnhem Land and Kakadu National Park. Visit the World Heritage Listed, sacred site Ubirr rock art, home to some of the oldest and best-preserved rock art galleries in the world dating back some 20,000 years and discover the hidden secrets with a guided walk

## 2D/1N Reef Suite - ex Port of Airlie Marina

Cruise Whitsundays

### Tour

Make your own way to Port of Airlie to join your 2 day 1 night Reefsuite experience. Moored offshore at spectacular Hardy Reef, 40 nautical miles from Airlie Beach, Reefworld is a sophisticated setting for the overnight Reefsuite experience. Relaunched in 2019, the revamped pontoon hosts day trippers, on-deck Reefsleep guests and a lucky few who'll head below deck for a private, all-inclusive Reefsuite experience.

Reefsuites are a premium accommodation offering: subtle lighting, neutral tones, private bathrooms, high thread-count linen... But the real attraction here is the spellbinding tropical marine life beyond the suites' full-height glass walls and floor panels. Travel to Hardy Reef onboard a high-speed, modern, well-appointed vessel, arriving at around 11am with the day guests. After lunch, you can snorkel, dive, swim or take a scenic helicopter flight to see famous Heart Reef (at own expense). Day visitors depart mid-afternoon, after which overnight guests have Hardy Reef and Reefworld all to themselves.

Reefsuite guests enjoy all-inclusive food and drinks: watching the sunset over the reef with a drink in hand is a memorable experience, followed by a starlit long-table dinner on the pontoon's upper deck. Seating can be arranged for private tables. Although food is served family style, you can still sit at a table for two if you choose to. After dinner, Reefsuite guests can retreat to the hushed privacy of their undersea accommodation. After a morning awakening like no other – Reefsuites give a whole new meaning to 'a room with a view' – enjoy a leisurely breakfast and more exclusive reef time. You will then head home with the day visitors in the afternoon, with Great Barrier Reef memories that will stay with you forever.

# Rejsevilkår for Australienrejser

## Navn i henhold til pas:

Tjek venligst, at alle navne på rejseplanen stemmer overens med passet. Dette er meget vigtigt i forhold til flybilletter, andre rejседokumenter og eventuelle visa. Kontakt straks din rejsekonsulent i tilfælde af uoverensstemmelser. Vær opmærksom på, at det i mange tilfælde ikke er muligt at ændre navnet på flybilletten. Australienrejser er ikke ansvarlig for eventuelle uoverensstemmelser.

## Restbeløb:

Restbeløbet forfalder normalt til betaling 8 uger før afrejse, medmindre andet er angivet. Ved bestilling af rejse mindre end 8 uger før afrejse, forfalder hele rejsens beløb til betaling umiddelbart efter afsendelse af betalingsoplysninger og ordrebekræftelse. Hvis fristen for betaling af restbeløbet ikke overholdes, bortfalder aftalen, og kunden mister sit depositum.

## Skatter og afgifter:

Valuta, oliepris og andre forhold påvirker de skatter og afgifter, der pålægges billetten, og dette kan ændre sig, indtil billetten udstedes. Du kan sikre dig mod en stigning i afgifterne ved at betale for billetten med det samme ved bestilling. Hvis ikke, skal alle mulige forhøjelser, der kommer efter booking, afregnes af kunden inden afgang, på vegne af flyselskabet. Gebyrer er inkluderet i billetten undtagen eventuelle lokale lufthavnsgebyrer, der skal betales ved check-in.

## Billet og rejseplan:

Senest 8 dage før afgang modtager du billetter, rejseplaner mv. Vouchers til landearrangementer (hoteller mv.) sendes enten ud sammen med billetterne eller ligger klar i receptionen ved dit første overnatningssted. Den rejsende er ansvarlig for at kontrollere, at ordrebekræftelse og rejседokumenter svarer til det, der er bestilt. Det er meget vigtigt, at navnet er stavet korrekt på billetten og stemmer overens med passet. Hvis navnet ikke er stavet korrekt, kan du blive afvist ved check-in til flyet.

## Gebyrer:

I særlige tilfælde kan der opkræves et reservationsgebyr. Dette vil i så fald fremgå sammen med tilbuddet.

## Ændringer:

Såfremt det er muligt at foretage navneændring eller anden ændring, beregnes et gebyr på mindst DKK 500 pr. person pr. ændring udover gebyrer, der tilkommer fra leverandørerne.

## Afbestilling:

I princippet kan pakkerejsen ikke refunderes. Undtagelsen er, hvis du er blevet informeret om andre afbestillingsbetingelser ved booking. Hvis du bliver nødt til at aflyse rejsen, vil vi naturligvis forsøge at hjælpe dig med at få så meget som muligt tilbage af rejsens pris fra vores tredjepartsleverandører mod et administrativt gebyr.

Det anbefales, at rejsende har en afbestillingsforsikring, der dækker disse udgifter ved egen sygdom, akut sygdom eller dødsfald i den nærmeste familie.

## Pas, visum og rejseforsikring:

Rejsende er ansvarlige for at have pas og visa i orden på rejsen. Passet skal være gyldigt i minimum 6 måneder efter at have forladt det pågældende land. Alle rejsende skal have en rejseforsikring, og vi anbefaler også kraftigt at have en afbestillingsforsikring inkluderet. Husk gyldigt pas og rejseforsikringsbevis med kontaktoplysninger og

policenummer. Vi anbefaler at tage en kopi af dit pas og tage det med på rejsen, hvis du skulle miste dit pas. Det er en god idé at sætte dig ind i vilkårene for din rejseforsikring.

For opdateret information om de enkelte landes indrejseregler og visumkrav henvises til Udenrigsministeriets rejsevejledninger.

Hvis du ikke er dansk statsborger, er det vigtigt at tjekke, hvilke regler der gælder for dit statsborgerskab.

## Fejl, der opstår under rejsen:

Den rejsende har pligt til uden unødigt forsinkelse at oplyse om eventuelle mangler, der konstateres under pakkerejsen. Er du utilfreds med noget på rejsen, skal en reklamation rettes til leverandøren på stedet (f.eks. hotellet), så manglen kan udbedres eller problemet løst. Såfremt problemet/manglen ikke er løst, skal dette gøres skriftligt opmærksom på, og du skal have en underskrift på dette fra leverandøren, således at Australienrejser efterfølgende kan tage fat på problemet med leverandøren. Venter du til du er kommet hjem, kan vi ikke påvirke eller gøre noget ved de fejl eller mangler, der er opstået. Hvis problemet ikke kan løses på destinationen, kan du sende os en skriftlig klage efter hjemkomsten til følgende postadresse: Australienrejser Aps, Hellerupvej 8, 1.th. 2900 Hellerup. Vi gør opmærksom på, at vi har skriftlig klagebehandling. Hvis du ikke er tilfreds med den måde, vi behandler klagen på, kan du sende sagen videre til Pakkerejseankenævnet.

## Lov om pakkerejser:

Australienrejseres rejsebetingelser er baseret på pakkerejseloven for rejser, der falder ind under definitionen i pakkerejseloven. Pakkerejselovens bestemmelser gælder ikke for erhvervskunder. Ved kun at sælge flybilletter eller andre rejseydelser, der ikke er pakkerejser, fungerer vi kun som agent for flyselskabet eller den relevante leverandør. Alle krav i forbindelse med sådanne rejseydelser skal rettes direkte til udbyderen af disse.

## Forbehold:

Der tages forbehold for prisændringer som følge af forhold, som vi ikke har indflydelse på, såsom ændringer i valutakurser, olie- og brændstofpriser, skatter og afgifter. Ved stigninger som følge af eventuelle ændringer, faktureres dette uden varsel senest 20 dage før afrejsedatoen. Dette gælder også selvom slutfakturaen er sendt og betalt tidligere. Ved efterfakturering beregnes forskellen mellem kursen på tidspunktet for ordreindgåelsen og kursen på efterfaktureringsstidspunktet. Dette gælder kun de elementer, hvor vi betaler eksterne leverandører i fremmed valuta. Ved en prisstigning på mere end ti procent kan kunden opsiges aftalen. Ved fald i valuta, oliepriser, skatter og afgifter eller lignende vil dette derimod medføre et tilsvarende fald i prisen.

Flytider og selskaber og andre elementer i rejseplanen kan blive ændret som følge af omstændigheder, som vi ikke har indflydelse på. Væsentlige ændringer, der sker efter booking, skal meddeles den rejsende skriftligt. Andre forhold, som vi ikke har kontrol over, såsom vejr, uroligheder, lukkede veje, skovbrande, vejrforhold, strejker, virusudbrud, pandemier osv. kan medføre ændringer i rejseprogrammet. Vi ændrer herefter rejseprogrammet så godt som muligt, uden erstatningsansvar.

## Bagage:

Det er normalt tilladt at medbringe 20 eller 23 kg indcheckede bagage og 1 håndbagage på op til 7 kg. Der er variationer mellem flyselskaberne. Den korrekte bagagevægt, vil fremgå af din rejseplan. Er du i tvivl så kontakt os for at høre, hvad der gælder for din rejse. Husk at markere bagage tydeligt med navn og adresse.

## Vaccinationer:

For information om vaccinationer kontakt din læge eller se Udenrigsministeriets rejseinformation for aktuel information. Vi anbefaler at tjekke dette i god tid, da nogle vacciner skal tages et vist antal uger før afrejse for at være effektive.

## Medicin:

Love og regler om, hvilke lægemidler der er receptpligtige eller tilladte, kan variere fra land til land. Du bør altid tjekke de regler, der gælder for det land, du rejser til. Hvis du skal medbringe receptpligtig medicin, bør du få en engelsksproget erklæring om brugen af medicin fra en læge.

## Kreditkort eller kontanter:

Det mest almindelige betalingsmiddel er kreditkort. Rejsechecks bruges næsten ikke længere. Kontakt banken, hvis du ønsker mere information.

## Indrejse formular:

Til nogle lande vil der blive udleveret en indejseformular i flyet, som skal udfyldes korrekt. Denne formular afleveres ved ankomst.

## Internationalt kørekort:

Hvis du kører bil i udlandet, anbefaler vi, at du tager et internationalt kørekort. Dette kan udstedes af borgerservice. Se [www.borger.dk](http://www.borger.dk)

## Sprog:

Medmindre andet er angivet, vil alle guidede ture og ture på destinationerne foregå på engelsk.

## Tilgængelighed:

Ved særlige behov som fx handicap er det vigtigt at informere om dette ved bestilling, så vi kan gøre vores yderste for at tilpasse rejsen.

## Toldbestemmelser:

I mange lande er der strenge restriktioner på import af blandt andet fødevarer, dyr (levende eller udstoppede), planter, blomster, nødder, jord eller våben. Myndighederne i de forskellige lande håndhæver disse restriktioner meget strengt. Det er altid den rejsendes ansvar at sikre, at de gældende regler overholdes. Er du i tvivl, så kontakt det aktuelle lands ambassade inden afrejse og se informationen på Udenrigsministeriets Rejsesider.

## Rejseregler for indførsel af planter og planteprodukter (til Danmark):

Reglerne for indførsel af planter og planteprodukter fra lande uden for EU betyder, at det ikke er tilladt at indføre planter, frø, frugt og andre planteprodukter fra rejser i lande udenfor EU, uden at disse følges af et plantesundhedscertifikat.

Det gælder også for rejsende, som medbringer planter og planteprodukter i bagagen; ligesom reglerne også er gældende for mindre mængder af planter og planteprodukter.

De eneste undtagelser fra disse regler er frugter af ananas, kokosnød, banan, durian og daddel, som frit kan indføres.

Hvis du medbringer planter til plantning, herunder visse typer af frø til udsæd, fra lande udenfor EU, skal disse følges af et plantesundhedscertifikat og anmeldes til import. Varen vil derefter blive importkontrolleret af Landbrugsstyrelsen. Du skal være opmærksom på at der er udgifter forbundet med importkontrollen.

Hvis du medbringer frugter, grøntsager, afskårne blomster eller andre levende plantedele, der ikke er bestemt til plantning, fra lande udenfor EU, vil der stadig være krav om plantesundhedscertifikat, men produkterne skal ikke anmeldes til import.

Reglerne indebærer desuden, at flere typer af planter til plantning er omfattet af forbud mod import. Reglerne skyldes en EU-forordning, som kaldes Plantesundhedsforordningen og har til formål at beskytte vores natur- og kulturlandskab samt planteproduktion mod alvorlige sygdomme og skadedyr, som kan følge med planteprodukter. I Importvejledningen kan du læse mere om importforbudte planter, særligt afsnit 2.4 (importforbud) og afsnit 2.2. og 2.3. om plantesundhedscertifikatpligtige produkter.
