Travel Documents

Dear MARTIN,

It's nearly time for us to welcome you on board for an unforgettable journey. Thank you again for choosing Journey Beyond. We are as excited as you are about the adventure we'll be sharing.

These are your final Travel Documents. We recommend you have a printed or digital copy of these Travel Documents with you when you check in, and throughout your journey.

For our Rail journeys, you will be advised your cabin number at check in (or seat number in the case of The Overland). Information about check-in times is within the final pages of these Travel Documents. Please check this information and make sure you allow enough time for your travel to start at a relaxed pace.

To help you prepare for your journey, we recommend you visit www.journeybeyonddrail.com.au/beforeyougo where you will find information about what to pack along with frequently asked questions.

We look forward to welcoming you on board and sharing the magic of Australia by Train.
